NIGHT MARK 3D

Seed Partnership Term Sheet Summary

Sioux Falls, SD | www.nightmark3d.com

- **Total Seed Investment Amount:** $25,000.00 USD
- **Equity Allocation:** 200,000 Shares issued at **$0.125 per share** (representing a 4.0% total equity ownership stake).
- **Direct Revenue Share:** 15% Monthly Lifetime Commission paid directly to the seed partner based on gross sales performance.

Milestone-Based Fund Deployment

1. **Milestone 1: Print Farm Fleet Standardization:** Acquisition of high-speed CoreXY 3D printers and industrial racking to increase throughput capacity.
2. **Milestone 2: Commercial Bulk Material Procurement:** Sourcing high-volume PETG resin pellets and Ultraglow photoluminescent pigment for in-house extrusion, maximizing unit profit margins.
3. **Milestone 3: Retail Vendor Onboarding:** Finalizing GS1 UPC registration, corrugated display box fabrication, and shipping compliance to fulfill initial regional stock purchase orders for Menards.
